Dear Brother «LastName»,

Thanks to # Alumni, Construction is Underway at 1515 R Street!

As chairmen of the *125 Years of Excellence – Continuing our Tradition* campaign, we are thrilled to report that construction is making great strides at 1515 R Street. This construction represents the culmination of several years of planning, dedication, and hard work.

Today, we stand in anticipation of a new era as we renovate our historic home to meet the needs of our 21st century members. This house will honor past and present Betas and secure our future at the University of Nebraska. On behalf of the campaign committee, we would like to invite you to get involved and participate in the campaign.

Construction is well underway with firm expectations that the chapter house will be ready for occupancy this fall. Since construction is moving at such a fast pace, please visit **www.1515r.org** to follow our progress, update your information, and view past campaign publications.

More than X alumni, including you, have pledged \$X, but we still need additional support to reach our \$3 million goal. We challenge ourselves to reach this goal before September 30. When you return for the House Dedication and 125th Anniversary on November 1 and 2, we want to ensure our construction loan will not unduly burden our present and future brothers. Every dollar raised now is one less dollar they will have to repay after the undergraduates move into the new chapter house.

«NickName», the campaign could greatly benefit from your additional support, especially as renovation progresses. We know that you have memories and friendships from your Beta days at Nebraska that have enriched your life. Please take the time to fill out the enclosed pledge card with a gift that reflects those memories. Pledges can be made over a five year period. With your help, we can ensure Alpha Tau Chapter's prominent standing at the University of Nebraska for years to come.

Yours in _kai_,
Campaign Chairmen
