

Beta Theta Pi

# The Experience Company

Alpha Tau Chapter

## Executive Summary

The Experience Company (“TEC”) was established as a leadership development program and talent accelerator for the undergraduate members of Beta Theta Pi at the University of Nebraska. TEC is a 501(c)3 non-profit organization that is owned, operated, and supported by the active members, alumni, and parents of the Alpha Tau chapter.

## Personal Development

### Mentorship Program

All active members are eligible to be paired with an alumni mentor, providing coaching, guidance, and support both during and after college

### Strengths Coaching

Each undergraduate in the Alpha Tau chapter takes the CliftonStrengths assessment, and receives access to Gallup-certified coaching and insights

### Parents Program

TEC engages with parents to create a vast support network for the chapter

## Professional Development

### Career Preparation

Active members receive access to career coaching, resume reviews, interview prep, speakers, and events to accelerate their development

### Internship Program

TEC assists members in obtaining internships with high-quality employers, helping to identify roles, provide introductions, and make recommendations

### Full-Time Jobs

Support full-time job placement through a network of alumni, parents, and others

## Get Involved

Alumni and parents can get involved in a variety of ways, including providing coaching, mentorship, career guidance, internship opportunities, and full-time jobs. To learn more, reach out today or visit: [www.nebraskabeta.com/tec](http://www.nebraskabeta.com/tec)
